8.2 Health, Safety & Environmental Policy

Edif NDE approach

Edif NDE is dedicated to protecting the environment, preventing pollution and creating a safe working environment that prevents injury and ill health for all. It is the aim of Edif NDE to ensure personnel working on our behalf are aware of this policy and take heed of all safety, health and environmental programmes in place within our workplace and those of the vendors being visited.

Edif NDE HSE Principles

Edif NDE recognizes that healthy, safe and environmentally sustainable work is essential for the well-being of our fellow co-workers and their families as well as our customers and visitors. Edif NDE is committed to attaining excellence in all its business practices with respect to HSE and will achieve this through the following Principles.

1. *Hold those working for Edif NDE, either directly or indirectly, accountable for their own HSE and that of their colleagues.*
2. *Identify and analyse potential hazards and implement measures to avoid, prevent, control and restrict the associated risks.*
3. *Identify / minimize / manage the environmental impacts associated with activities, resources and materials.*
4. *Commit to fulfill its compliance obligations which include all relevant laws and regulations, the requirements agreed upon with the client and Edif NDE's policies relating to HSE and quality.*
5. *Implement and maintain a Global Management System that complies with the requirements of ISO14001 and OHSAS18001.*
6. *Undertake appropriate reviews to measure progress on established objectives, ensure compliance and strive for continual improvement with the management of our HSE management and performance.*

The system, policy and procedures are regularly reviewed to ensure their on-going effectiveness in meeting company expectations, compliance obligations and company objectives.

Edif NDE is dedicated to operating world-wide in a safe, responsible manner. Everyone who works for Edif NDE either directly or indirectly is expected to understand, promote and support in the implementation of this HSE Policy.
