

ADOPTION OF ENVIRONMENTAL, HEALTH AND SAFETY POLICY OF RINA GROUP (EHS POLICY)

The RINA Group considers the protection and the safeguard of Environmental and Health and Safety at work as primary objectives during its services, as well as, the foundation for the development of Business Policies for the future. This represents a moral responsibility, even before that legal towards its own employees and towards community.

RINA S.p.A, to this end, defined environmental, health and safety specific objectives and adopted the EHS Group Policy on 08/05/2017.

Taking on the EHS Policy of RINA Group, RINA Services, in order to ensure its implementation and to guarantee the achievement of its objectives, established and adopted an Integrated Environmental, Health and Safety Management System compliant with the ISO 14001 and OHSAS 18001 Standards.

Ing. Michele Francioni
